The Patent & Trademark Resource

THE TPTR METHOD

Idea

Focus phase

Our patent design agency offers comprehensive patenting solutions that start with the conceptualization of your idea. We guide you through the steps of patenting, defining and refining your concept, to ensure that it's fully developed and ready for the patent process. With our expertise and experience, you can be confident that your idea will be protected and ready for implementation.

Novelty/Innovation Objectives phase

Our team at Step 2; The Novelty Stage is dedicated to helping designers and inventors protect their intellectual property. We provide patent design that emphasizes cooperation between inventors, designers, and patent attorneys, so you can maximize your chances of success. The patent strategy is tailored to your needs, and our directory of trustworthy patent

attorneys ensures that you receive the best possible representation. Contact us to start your patent journey today.

Design Achievements phase

Our patent design firm specializes in protecting your intellectual property. With our design patent, utility patent, and trademark registration services, you can trust that your ideas will be secure. Our team of designers and attorneys work together to bring you a comprehensive service package. We emphasize cooperation between designers and attorneys, to ensure that you have the best legal protection possible.

Protect

Direction phase

Our design services include design patents, utility patents, and trademark registration. We believe that every great idea deserves protection, and that's where our team of designers and attorneys come in. With our cooperation model, we ensure that your intellectual property is safe from infringement or misuse. Our design team brings artistic proficiency to legal practice, ensuring that your ideas are protected both creatively and legally.
